

SOCIAL CARE IN HAVERING

Opportunities to contribute to the delivery of an effective Children's Service

We are looking to recruit to several positions at the forefront of social work in an exciting, challenging time within a Borough that is embracing changes in social work. We have taken a lead in social work having established one of the 1st joint Child/Adult Multi Agency Safeguarding Hub (MASH) teams in the country.

What can Havering Council offer you?

- Driving forward change social work
- New career progression scheme
- Innovative working relationship with other local authorities and the voluntary sector
- Continued development for all Social Workers
- Reasonable case load
- Academy in development for CPD and ASYE
